

Date 22nd January 2018

I can't thank the Rising Stars teachers enough for caring for my daughter this that last year. They are an amazing team that really go the extra mile to offer an excellent service from varied, engaging activities to providing healthy food for our little ones. My daughter was always very happy when I picked her up. And I also enjoyed chatting to the friendly teachers about how the day went. I highly recommend this childcare centre because there is nothing better for parents than knowing their child will be looked after by people who genuinely care about their wellbeing.
