

12 October 2017

My first impression of Rising Stars Lynfield was that the staff were warm and friendly and this has carried on in the 5 years my family has been associated with them. Both my children have attended this centre, my son was 8 months old when he started in the baby room with Nita and Gloria and I have always felt happy leaving them here as the staff are very caring and loving towards all the children.

The teachers always make sure we know how the children's day has been and I love the portfolio that is provided with stories about the class activities, and personalized stories about my child as well. The teachers cater to the needs of my children and over the years they have offered different activities to each of my children depending on their interests and needs.

There is an amazing family atmosphere about the centre, and the centre encourages parents to be involved with what is going on, to share their stories, skills and culture with the rest of the children and parents.

My daughter started school 2 years ago and she was well prepared for primary school and had no trouble settling in and now my youngest is going to school soon. We will miss all of the staff and other children and parents. Thank you for taking such wonderful care of my precious children.

Bronwyn
