

Adieu to Ryo's little heaven – "Rising Star"!!!

As a parent, I would like to say a BIG thank you to all the staff at Rising Star and a special thanks to Seema, Andra and Johna for your incredible support, responsiveness and attention to detail over the years. I really appreciate the fact that when we come in the mornings we are always greeted with smiles and good mornings from all of the staff, Ryo is always happy to go to his kindy and sometime finds it hard to leave at the end of the day. He is always excited to walk in and would have been happy to stay longer after pm. We think this is one of the best decisions we ever made as parents was sending him to this kindy.

I felt many times Andra is his best friend rather than a teacher. Seema ... I really appreciate the way you cared Ryo, you are just awesome! Thanks a million for the wonderful memories we will treasure for a lifetime.

Best of luck in your future endeavours!!!

Cheers,

Romy & Prajisha
